```

The diagram illustrates a data flow or dependency. On the left, there are two white rectangular boxes with black borders. The top box contains the text "circlePack.PackControl.focus Gained" and the bottom box contains "circlePack.PackControl.focusLost". On the right, there is a gray rectangular box with a black border containing the text "circlePack.PackControl.debug FocusMsg". Two blue arrows point from the right side of each white box to the left side of the gray box, indicating that both "focus Gained" and "focusLost" events or states are inputs or dependencies for the "debug FocusMsg" component.
