

`complex.MathComplex.normSq`

```
graph LR; A[complex.MathComplex.normSq] --> B[complex.Complex.imag]; A --> C[complex.Complex.real];
```

A diagram illustrating the relationship between the `complex.MathComplex.normSq` method and its components. A gray box on the left contains the text `complex.MathComplex.normSq`. Two blue arrows point from the right side of this box to two white boxes on the right. The top white box contains `complex.Complex.imag` and the bottom white box contains `complex.Complex.real`.

`complex.Complex.imag`

`complex.Complex.real`
