The diagram illustrates a dependency or relationship between three components. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'frames.ScriptToolEditor.dropable' followed by 'CheckBox' on a new line. The bottom box contains 'frames.ScriptToolEditor.reset' followed by 'MoreFields' on a new line. Two blue arrows originate from the right side of these boxes. The arrow from the top box points to the top-left corner of a gray rectangular box on the right. The arrow from the bottom box points to the top-left corner of the same gray box. The gray box contains the text 'frames.ScriptToolEditor.set' followed by 'DropDefault' on a new line.
