

geometry.SphericalMath.s_dist

```
graph LR; A[geometry.SphericalMath.s_dist] --> B[geometry.SphericalMath.dot_prod]; A --> C[geometry.SphericalMath.s_pt_to_vec];
```

The diagram illustrates a function call. A central box on the left, labeled 'geometry.SphericalMath.s_dist', has two blue arrows pointing to two boxes on the right. The top box is labeled 'geometry.SphericalMath.dot_prod' and the bottom box is labeled 'geometry.SphericalMath.s_pt_to_vec'.
