```
graph LR; A[tiling.SubdivisionRules.get RulesTD] --> C[listManip.EdgeLink.remove Ordered]; B[listManip.EdgeLink.remove Ordered] --> C;
```

The diagram consists of three rectangular boxes. On the left, there are two white boxes with black borders, one above the other. On the right, there is a single gray box with a black border. Two blue arrows originate from the right side of the top-left white box and the right side of the bottom-left white box, both pointing towards the left side of the gray box on the right.
