The diagram illustrates a relationship between two widget classes and a common method. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'widgets.AngSumSliders.AngSumSliders' and the bottom box contains 'widgets.RadiiSliders.RadiiSliders'. On the right, there is a gray rectangular box with a black border containing the text 'listManip.NodeLink.remove Duplicates'. Two blue arrows point from the right side of each white box to the left side of the gray box, indicating that both widget classes utilize or inherit from this common method.
