

complex.SphPoint.SphPoint

complex.SphPoint.SphPoint

math.Matrix3D.Identity

```
graph LR; A[complex.SphPoint.SphPoint] --> C[math.Matrix3D.Identity]; B[complex.SphPoint.SphPoint] --> C;
```

The diagram illustrates a function or operation that takes two inputs and produces a single output. On the left, there are two identical rectangular boxes, each containing the text 'complex.SphPoint.SphPoint'. Blue arrows originate from the right side of each box and point towards a single rectangular box on the right. This target box is shaded gray and contains the text 'math.Matrix3D.Identity'.
