

frames.PairedFrame.drawCall

input.CommandStrParser.jexecute

packing.PackData.circle
_map_action

```
graph LR; A[frames.PairedFrame.drawCall] --> C[packing.PackData.circle_map_action]; B[input.CommandStrParser.jexecute] --> C;
```

The diagram illustrates a flow or dependency where two separate components on the left point to a single component on the right. The first component, 'frames.PairedFrame.drawCall', is located in the upper left. The second component, 'input.CommandStrParser.jexecute', is located in the lower left. Both have blue arrows pointing towards a central gray box on the right labeled 'packing.PackData.circle_map_action'.
