The diagram illustrates a data flow where two separate inputs are combined into a single output. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'packing.PackData.color_faces' and the bottom box contains 'microLattice.MicroGrid.mode2_Intensity'. Two blue arrows originate from the right side of these boxes and point towards a single gray rectangular box on the right. This gray box contains the text 'packing.PackMethods.area Ratio'.
