The diagram illustrates the relationships between three classes: JPanel, ActionListener, and panels.GlobalListPanel. JPanel and ActionListener are positioned at the top, while panels.GlobalListPanel is at the bottom. A horizontal line with upward-pointing arrows at both ends connects the bottom of the JPanel box to the bottom of the ActionListener box. A vertical line descends from the center of this horizontal line to the top of the panels.GlobalListPanel box, indicating that panels.GlobalListPanel inherits from both JPanel and ActionListener.
