

script.TextSBox.TextSBox

```
graph LR; A[script.TextSBox.TextSBox] --> B[script.TextSBox.cmdAction  
Popup]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'script.TextSBox.TextSBox'. The right box is gray with a black border and contains the text 'script.TextSBox.cmdAction' on the top line and 'Popup' on the bottom line.
