The diagram illustrates a flow from two source boxes on the left to a single target box on the right. The top source box contains the text 'variables.VarControl.Variable ControlTableModel.put'. The bottom source box contains the text 'variables.VarControl.Variable ControlTableModel.setValueAt'. Both source boxes have a thin black border. Two blue arrows originate from the right side of these boxes and point towards the left side of the target box. The target box, located on the right, contains the text 'variables.SliderPanel.reset Value' and has a thick black border and a gray fill.
