Action

```
graph LR; A[schwarzWork.SchFlowerSliders.mouse_entry_action] --> D[widgets.SliderFrame.motion Action]; B[widgets.AngSumSliders.mouse_entry_action] --> D; C[widgets.RadiiSliders.mouse_entry_action] --> D;
```

The diagram illustrates a mapping from three specific mouse entry actions to a single, shared motion action. On the left, three white rectangular boxes are stacked vertically. Each box contains a text string representing a specific mouse entry action. Blue arrows originate from the right side of each of these three boxes and point towards a single gray rectangular box on the right. This gray box contains the text for the shared motion action. The arrows indicate that each of the three specific actions is mapped to or triggers the same shared motion action.
