The diagram illustrates a flow or dependency where three separate components on the left converge into a single component on the right. The components on the left are 'ftnTheory.GenModBranching.cmd Parser', 'branching.SingBrModPt.renew', and 'branching.SingBrModPt.set Parameters'. Each of these has a blue arrow pointing towards the rightmost component, 'branching.SingBrModPt.reset Overlaps'. The rightmost component is shaded gray, while the others are white with black borders.
