

images.OwlSpinner.OwlSpinner

```
graph LR; A[images.OwlSpinner.OwlSpinner] --> B[canvasses.MainFrame.swap ProgBar]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'images.OwlSpinner.OwlSpinner'. The right box is gray with a black border and contains the text 'canvasses.MainFrame.swap' on the top line and 'ProgBar' on the bottom line.

canvasses.MainFrame.swap
