

circlePack.PackControl.openMap

```
graph LR; A[circlePack.PackControl.openMap] --> B[circlePack.PackControl.map CanvasAction]; A --> C[circlePack.PackControl.Pack Control];
```

The diagram illustrates a method call. A grey rectangular box on the left contains the text 'circlePack.PackControl.openMap'. Two blue arrows originate from the right side of this box. The top arrow points to a white rectangular box containing 'circlePack.PackControl.map' followed by 'CanvasAction' on a new line. The bottom arrow points to another white rectangular box containing 'circlePack.PackControl.Pack' followed by 'Control' on a new line.
