

complex.MathComplex.Arg

```
graph LR; A[complex.MathComplex.Arg] --> B[complex.Complex.getImaginary]; A --> C[complex.Complex.getReal];
```

The diagram illustrates a relationship between a method and two other methods. On the left, a gray rectangular box contains the text 'complex.MathComplex.Arg'. Two blue arrows originate from the right side of this box. The top arrow points to a white rectangular box containing 'complex.Complex.getImaginary'. The bottom arrow points to a white rectangular box containing 'complex.Complex.getReal'.

complex.Complex.getImaginary

complex.Complex.getReal
