

mytools.MyToolEditor.addTool

mytools.MyToolHandler.write
Tools

images.CPIcon.getIconName

```
graph LR; A[mytools.MyToolEditor.addTool] --> C[images.CPIcon.getIconName]; B[mytools.MyToolHandler.write Tools] --> C;
```

The diagram illustrates a dependency or call relationship. On the left, two white rectangular boxes with black borders contain the text 'mytools.MyToolEditor.addTool' and 'mytools.MyToolHandler.write Tools' respectively. On the right, a gray rectangular box with a black border contains the text 'images.CPIcon.getIconName'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the gray box, indicating that both methods on the left call or depend on the method on the right.
