The diagram illustrates a flow from two source nodes to a single target node. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'microLattice.Smoother.compute Cycles' and the bottom box contains 'input.CommandStrParser.jexecute'. Two blue arrows originate from the right side of these boxes and point towards a single gray rectangular box on the right. This gray box also contains the text 'microLattice.Smoother.compute Cycles'.
