

previewimage.PreviewImage
HyperlinkListener.hyperlinkUpdate

```
graph LR; A[previewimage.PreviewImage  
HyperlinkListener.hyperlinkUpdate] --> B[previewimage.PreviewImage  
Extractor.getImage]
```

A diagram showing a call from the `HyperlinkListener.hyperlinkUpdate` method to the `PreviewImage.Extractor.getImage` method. The source box is shaded gray and the target box is white. A blue arrow points from the source to the target.
