

```
schwarzWork.SchwarzPack.new  
Schwarzian
```

```
graph LR; A[schwarzWork.SchwarzPack.new Schwarzian] --> B[combinatorics.komplex.Half Edge.getSchwarzian]
```

A diagram showing a call to the Schwarzian method. On the left, a gray rectangular box contains the text 'schwarzWork.SchwarzPack.new Schwarzian'. A blue arrow points from the right side of this box to the right side of a white rectangular box on the right. The white box contains the text 'combinatorics.komplex.Half Edge.getSchwarzian'.

```
combinatorics.komplex.Half  
Edge.getSchwarzian
```
