```

The diagram illustrates a class node, 'script.CPTreeNode.CPTreeNode', which is represented by a grey rectangular box. From the right side of this box, two blue arrows point to two separate white rectangular boxes. The top arrow points to the box containing 'images.CPIcon.getImageIcon', and the bottom arrow points to the box containing 'mytools.MyTool.getName'. This visualizes the relationships between the class and its associated methods.
