

script.ScriptModel.loadScriptDOM

```
graph LR; A[script.ScriptModel.loadScriptDOM] --> B[script.ScriptModel.createWorkingFile]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'script.ScriptModel.loadScriptDOM'. The right box is gray with a black border and contains the text 'script.ScriptModel.createWorkingFile' on two lines.

script.ScriptModel.create
WorkingFile
