

util.ComplexField.Complex
Field

```
graph LR; A[util.ComplexField.ComplexField] --> B[util.ComplexField.createGUI]
```

A diagram showing a relationship between two code elements. On the left, a gray rectangular box contains the text 'util.ComplexField.ComplexField' on two lines. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'util.ComplexField.createGUI' on one line.

util.ComplexField.createGUI
